

Qualifying Checklist

FREE Medical Clinic for WORKING uninsured people and their families

FINANCIAL QUESTIONS:	YES	NO
The individual (or someone in their household) works at least 20 hours per week, on average. This means a spouse who does not have health insurance can qualify even if his/her spouse has health insurance ... as long as one of them is working at least 20 hours a week.		
The individual's family household income is at least \$13,000/year before tax.		
Family household income maximum is in the chart below		
The individual has UF Health (formerly Shands) card, VA card, Medicaid, Medicare, or other health insurance		
IF NO GREY BOXES ARE CHECKED, PLEASE CONTINUE. IF YOU HAVE ANY QUESTIONS, PLEASE CONTACT VOLUNTEERS IN MEDICINE AT 904-399-2766.		

Definitions:

Family = Any of the following that apply: Individual, Spouse, Children under 18, Domestic Partner living at the same address, full-time students under 23. (Other relationships may qualify.)

Income = Salary, wages, self-employment income PLUS Social Security Disability, Retirement, Alimony, Child support, Food Stamps, and Housing subsidy.

There are some basic Health Questions that the Volunteers in Medicine qualifier will ask the potential patient in order to determine whether the patient has medical needs which cannot be adequately served at a free outpatient clinic.

Please call 904-399-2766 to set up a qualifying appointment
